Paper Quest Free Download [portable Edition]

Download ->>>>>> <http://bit.ly/2SLxbs6>

## About This Game

Paper Quest is an endless runner with a twist based on exploring different worlds and collecting cash for new powerups, items, furniture and equipment for your home.

Invert gravity using the inverter watch, and combine this ability with other powerups such as the the stopwatch to slow down time, buy essential equipment for your house such as a TV, or just gaze at the stars.

the backstory is about a man who buys a house on a distant planet ruled by 2 warring companies, Am-Co and N-tech.

There is currently 12 worlds to complete, each with a unique item and achievement upon completion. and 5 unique powerups.

All art is completely handdrawn with all the imperfections and style that comes with it, including each frame of all animations!

Steam cards and achievements,  
in addition to the in game achievements.

I looked forward to the game because it seemed rather unique to me. However, I had lots of troubles actually getting the game to function. First only the menu music would play, and then it closed itself whenever the main menu showed up. (I then asked for and recieved a refund.) I believe that the concept of this game has at least a little potential, if not more, but as it is now it has some troubling bugs that make the game unplayable.
